

- Expand or narrow the **My Classes** view by making a selection from the Show drop-down box. The default view is **Today's Only**.

Note: **Today's Only** displays classes scheduled for today, which is helpful for block scheduling.

View All = full year

Sem = semester

Trm = term / quarter

- Click . The screen refreshes the list of classes.

Options

- Using your mouse, click any of the icons.
- Use the Sort drop-down to select how the grid should be sorted.

The latest Show, Sort, and Ignore Empty Sections settings will be remembered every time you return to this screen, even if you log out.
