Web Site: [www.nnr6.org](http://www.nnr6.org)

---

Mr. James Simmelink, Superintendent  
Mrs. Tiffany Whipple, Administrative Assistant

Mr. Timothy Conn, MS/HS Principal  
Mrs. Ashley Yount, Elem. Principal

The North Nodaway School District will be using SISK12 Parent/Student Portal Web Access, which is thru our student information records program. With this web-based system, you will be able to view various areas of information such as schedules, grades, assignments, and lunch balances as they apply to each building. Elementary has the lunch balance option at this time.

Information for your child is available only with a password. All passwords are distributed through e-mail. It will be your responsibility to keep your password private. We cannot issue any passwords via phone conversation. **The emails you supplied on the registration forms will be used as your email address.** You must have an email to access your child's records. If your email changes, please contact the school to update your email address and get it changed in the system.

Students at the MS/HS levels will also be given an ID and password to access the Student Portal part of SISK12, so they can keep up-to-date on their grades, assignments, lunch balances, etc. as well. This is a separate portion of SISK12 and is not the same username/password as the parents are given.

By signing below, you are signing up for the Parent Portal Web Access and accepting responsibilities for your password and account management. **Once enrolled, the student(s) will stay enrolled each year they are in school unless you request otherwise.**
